

## EXHIBIT “C”

### **PRACTICE FIELD RULES AND REGULATIONS**

#### **ACCESS POLICY**

1. Practice Field hours are as established by the Board of Directors from time to time.
2. The District’s General Manager will maintain a reservation calendar for the Practice Fields and issue written reservation confirmations, which will be posted at the Practice Fields to provide notice and confirmation of all approved reservations.
3. The District’s Practice Fields are available only to residents of the District, who may reserve the Practice Fields for play or use by an organized sport association team or league on a first-come, first-serve basis. The sponsoring resident making the reservation must complete the District’s Application to Reserve District Recreational Facilities Other Than Pools and Release of Liability form. A reservation request may include up to 25 sessions on a single Application form. All players on a team or league using the fields must complete a Team Player Registration and Release of Liability form and the sponsoring resident must submit the completed forms for each team or league player at the time the reservation is requested.
4. Residents must be registered into and shown to be in “good standing” in the Database System in order to reserve the District’s Practice Fields. An individual will be shown to be in “good standing” in the Database System if the monthly water/wastewater bills charged to the individual’s residence have been timely paid. Residents may register into the Database System at Tumlinson Pool or Apache Pool during regular Pool hours, or by contacting the District’s General Manager.
5. No team or league or the team or its respective players or representatives may reserve the Practice Fields for more than (i) four hours on any day, and (ii) six hours during any week. No player or other person affiliated with a team or league may make additional reservations for team or league use in order to circumvent this limitation. Each team or league, or its sponsoring resident, must make its reservation for each reserved period at least 10 calendar days prior to any team or league practice or play taking place. Each team or league is limited to 25 reservations per season.
6. The Practice Fields may not be reserved, whether formally or informally, or used by teams or leagues on Saturdays; the use of the Practice Fields is restricted to residential pick-up games and practices during that time period.
7. No team, league individual or group without a reservation may use or occupy the Practice Fields for more than two hours per day if others are waiting to use the Practice Fields.
8. Once reservations have been confirmed in writing, no changes will be accepted. Rain or inclement weather is considered an act of God, and no refunds will be made for a Practice Field reservation that is not used due to weather-related issues; however, a reservation that is not used due to weather-related issues will not be counted against the time limits for daily and weekly reservations set forth in these Rules. Make-up reservations will be subject to additional reservation fees and the availability of the Practice Fields.

## **TEAM AND LEAGUE RESPONSIBILITIES**

1. Prior to any team or league play taking place, the resident making the reservation on its behalf will be provided with the Practice Field rules and regulations by the District's General Manager.
2. The resident making the reservation must require any and all vehicles of that team's or league's coaches, players and guests to be parked within the parking lot or a designated parking area. If any individual affiliated with a team or league violates this rule, a warning will be issued to the resident making the reservation on behalf of the team or league. If any individual affiliated with that team or league violates these parking requirements again, the team or league will be subject to losing its reservation privileges for that season.
3. Each resident and/or coach holding a reservation must remain at the Practice Fields during the entire reservation period and will be responsible for the following:
  - a. Ensuring that the Practice Field rules and regulations are adhered to by all team or league members and guests.
  - b. Reporting any items that need attention or repair to the District's General Manager.
